Dear J.C.,

Your letter dated Jan. 12th just received, I arrived back home after along journey through the mud and rain, however I did'nt get my car home, had to leave it in Houston Tex. on account mud and high water, dont think I will go out any more untill I know that the rain is over,

I am herewith encloseing you some more data on the Collier family. I am depending on my brother in Cameron to send his and my sister in Waco, and I am sure he will write you soon,

If I ever have the opportunity of passing through your City will sure look you up, if you make your trip to Mexico, let me know in advance,

Yours very truly,

James

P.S.

This is not a complet history of there family, but this is all they sent to my Mother, there is some dates left out, and there is some grandchildren,

Mother does not remmember when Grandfather died, prehaps some of the other children can give us this information, I am not in a possition to do much corresponding, as I am on the road all the time,

You write to Uncle John Collier at Florence Texas Prehaps he can give you more data,
